

DOCTORAL PROGRAM in HUMAN SCIENCES

Training Activities – Academic Year 2022/2023

In-presence

A

Interdisciplinary seminars addressed to all curricula

Groups of seminars on (1) methodological foundations particularly addressed to the 1st year students, with co-presence of professors in Philosophy, Education, and Psychology; (2) training to write research proposals, abstracts and research articles, with co-presence of professors from Education and Psychology; (3) interdisciplinary topics.

B

Disciplinary seminars devised for each curriculum, but open to everybody interested in the topic

Philosophy: Seminars and workshops with speakers from Italian and foreign Universities

Education: Groups of seminars especially focused on qualitative methods in educational research

Psychology: Groups of seminars focused on research methods in Psychology, and specific topics, held by experts from UniVR and foreign Universities

C

Seminars aimed to present and discuss the ongoing research projects, organized by 2nd(3rd) year students

All PhD students will have the opportunity to illustrate and discuss their research project with two reviewers from other Italian or foreign Universities (identified for their expertise in the topic), their supervisors, and other interested PhD students, postdocs, and researchers. The available budget for the organization and expense account is 500 euros per seminar.

Interdisciplinary seminars

All events, except where indicated, will take place at Palazzo Zorzi Polfranceschi.
